

# Notice of Public Meeting about future bike boulevards on 22<sup>nd</sup> Avenue and Tyler, Polk, and Fillmore Streets

You are invited to a public meeting to discuss proposed changes to identify bicycle boulevards on 22<sup>nd</sup> Avenue between Central Avenue and Arthur Street, as well as Tyler, Polk, and Fillmore Streets between 37<sup>th</sup> Avenue NE and East Hennepin Avenue.

**When: Wednesday, February 17<sup>th</sup>, 6:00pm**

**Where: Windom Park Recreation Center, 2251 Hayes St NE**

This project is intended to provide east-west and north-south routes for bicyclists. **It will NOT entail parking removal.** A bike boulevard provides shared lanes (bikes and cars together) in the middle of the street.

In order to implement the bicycle boulevard, Minneapolis Public Works has developed layouts with several options. The public will be asked to rank preferences for items such as:

- Traffic calming
- Improvements to busy crossings

The project will also include way finding and route identifier signs, as well as pavement markings.

**More Information:** Visit [www.ci.minneapolis.mn.us/bicycles/boulevards.asp](http://www.ci.minneapolis.mn.us/bicycles/boulevards.asp) or contact Shaun Murphy, Minneapolis Public Works, at 612-333-2450 or [shaun.murphy@ci.minneapolis.mn.us](mailto:shaun.murphy@ci.minneapolis.mn.us). Questions or feedback are welcome.

*Hosted by Minneapolis Public Works*
