Waite Park Community Council Block Club Grant Program

Purpose:

Get your block club energized with a project to help improve our community. For the first time, Waite Park is offering \$100 mini-rebates to organized block clubs. In other neighborhoods, these grants have been used to purchase plantings and gardening materials for public areas, neighborhood trash pick-up projects, and similar projects that get neighbors up and out and working together to improve our neighborhood. Other examples might be erecting a block club sign, hosting a crime prevention seminar, or paying for materials for your block club event. Adopt a family at the holidays or participate in Toys for Tots and have a neighborhood gift wrapping party! See how creative you can be! You can combine with other block clubs to do a bigger project.

Who's eligible to apply:

Waite Park residents who are part of a current block club recognized by the Minneapolis Police Department Second Precinct *or* a non-CCP Safe block club that hosts at least 1 gathering a year which all block club members are invited, as verified by 2 block club members.

How to apply:

Bring, mail or email a brief written proposal of your event, any receipts and this application to Waite Park Community Council (WPCC).
